

# Wooden top

*In almost every country in the world. Children love to play with tops. Especially in Japan, tops are the part of the culture. Long before video games and mangas, Kids were playing with tops.*

## **My original wooden top**

## **How to make and How to play**

- 1: Paint the top
- 2: Burn decorations.
- 3: Learn how to wrap the string on the top
- 4: Practice how to throw.
